Attending: Andrienne Friedli, Helen Binkley, Horace Johns, Robyn Ridgley, Angela DeBoer, Sanjay Asthana, Jason Vance, Dianna Rust, Xiaowei Shi, Rick Sluder, Faye Johnson, Kathy Thurman, Tom Wallace, David Foster, Tyler Henson, Ronda Vaughter, Bruce Petryshak, Deb Sells, John Vile, Bonnie Allen, Laurie Witherow, Chris Brewer, Lisa Bass, Sylvia Collins, Mary Hoffschwelle, Allison McGoffin

- I. **Welcome and Introductions** – Faye Johnson welcomed everyone and everyone introduced themselves.
- II. **Update on Quest for Student Success Revision** – Faye Johnson
<https://www.mtsu.edu/provost/quest-2018/> The final draft of Quest for Student Success 2025 is on the president's desk for approval along with an implementation chart. It will not go out for campus comment again.
- III. **Institutional Effectiveness, Planning, and Research Update**
 - Fact Book https://www.mtsu.edu/iepr/factbook/factbook_2018.pdf – Chris Brewer said they condensed the Fact Book from 170 to 24 pages and printed a few. A concerted effort is made to make this book an increasingly more useful reference that familiarizes the reader with the characteristics of the University's students, faculty, staff, programs, services and environment. Suggestions and comments toward these goals are welcomed and appreciated.
 - Common Data Set https://www.mtsu.edu/iepr/common_data.php – Mainly used for external reporting.
 - Student Achievement Data and Reporting – Sylvia Collins gave a [Power Point presentation](#) on the SACSCOC Standard CR 8.1, Student Achievement. A subcommittee of the Planning Committee will work on establishing thresholds of accountability and achievement goals. We must justify our choices and have multiple measures. THEC and SACSCOC are interested in achievement goals and outcomes data. She distributed a [chart](#) showing examples of Criteria/Indicator/Measure; Threshold of Acceptability; Achievement Goal; Outcome; and Data.
 - Quality Assurance Funding Update – THEC has a new Major Field Test (MFT) standard. Every program has to be evaluated including interdisciplinary programs. About 20 programs that were once exempt will have to be evaluated. IEPR will be meeting with deans to establish the new Major Field Tests.
 - Institutional Effectiveness Achievement Reports (IEARs) – Division and unit goals and program learning outcomes are entered into <https://mtsu.campuslabs.com/> along with action items, measurement, analysis to close the loop. The annual review cycle is on schedule.
 - Student Evaluations of Teaching (SETs) - A1 part of term began SETs today. We are considering extending evaluation period from 7 days to 14. We send one email per day to students to remind them to complete evaluation. Stats show email reminders help, although students complain. Once the evaluation is completed, the emails stop. Fall 2018, we had 44% response.
 - Program Reviews this year <https://w1.mtsu.edu/iepr/docs/prcalendar.pdf> and Accreditation Update [attached](#).

IV. **Institutional Mission Profile** – Faye Johnson

<https://www.tn.gov/content/dam/tn/thec/bureau/aa/academic-programs/program-approv/resources/THEC%20May%202018%20Agenda%20Institutional%20Mission%20Profiles.pdf>

Statute requires that we annually review our Institutional Mission Profile. A motion to approve the [revision](#) was made by Helen Binkley, seconded by Angela DeBoer. Committee unanimously approved revision. Revised Institutional Mission Profile will go to MTSU Board of Trustee Executive and Governance Committee for approval on March 18 and to the Board of Trustees on April 3.

V. **MT Engage Update** – Mary Hoffschwelle [Attachment](#)

We are pleased with the progress made with our benchmarks. We see significant differences in retention and engagement between MT Engage students and non-MT Engage students. We are working to make MT Engage meaningful to students and not just a program. In Fall 2019, all UNIV 1010 courses will be designated MT Engage.

Student Achievement

SACSCOC CR 8.1

CR 8.1 Key Compliance Components

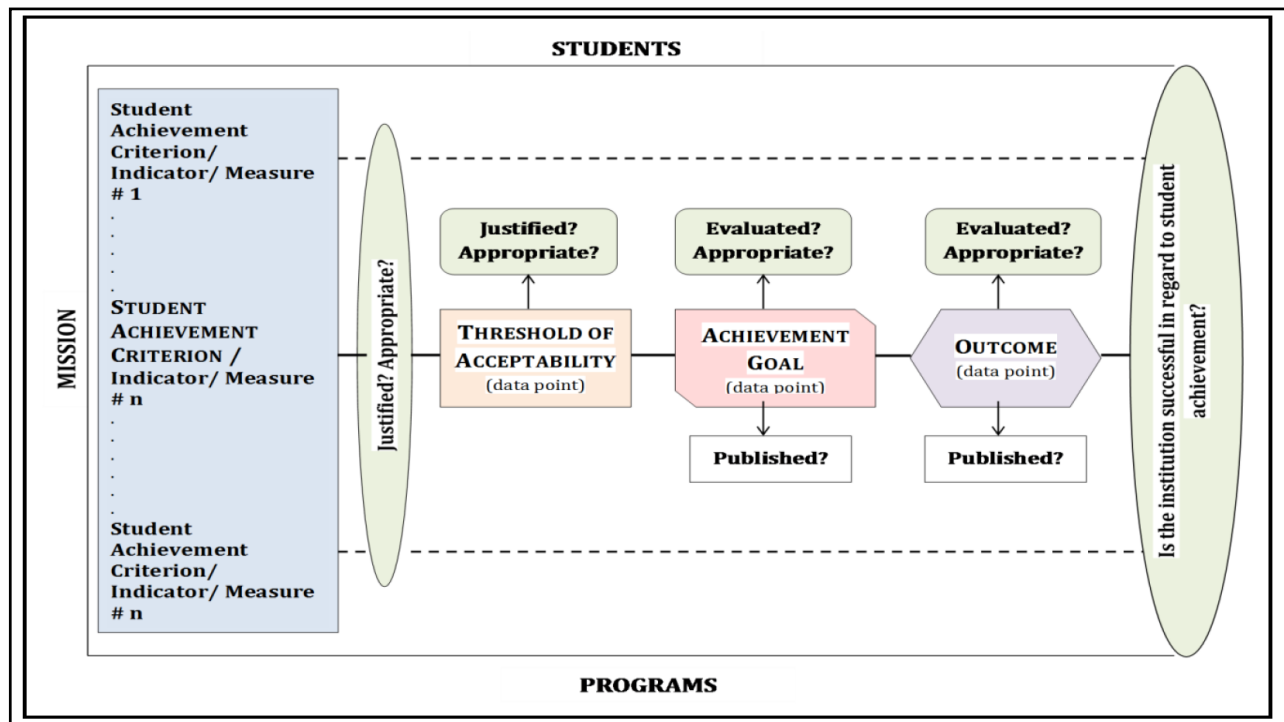

- The institution identifies, evaluates, and publishes **GOALS** and **OUTCOMES** for student achievement appropriate to the institution's mission, the nature of the students it serves, and the kinds of programs offered. The institution uses multiple **MEASURES** to document student success.

CR 8.1 Resource Manual

- [I]t is expected that the institution will demonstrate its success with respect to student achievement and indicate the **CRITERIA** and **THRESHOLDS OF ACCEPTABILITY** used to determine that success...The institution is responsible for **JUSTIFYING** both the criteria it utilizes and the thresholds of acceptability it sets...

CR 8.1 Selected Key Terms

- **Criteria** - Items or indicators of student achievement to be measured/evaluated (and published)
- **Multiple measures** - Several distinct criteria/indicators of student achievement, not multiple ways to measure the same student achievement outcome.
- **Goals** - Target levels of performance/achievement
- **Thresholds of acceptability** - Minimal expectation set by the institution to define its own acceptable level of performance
- **Outcomes** - Actual performance data

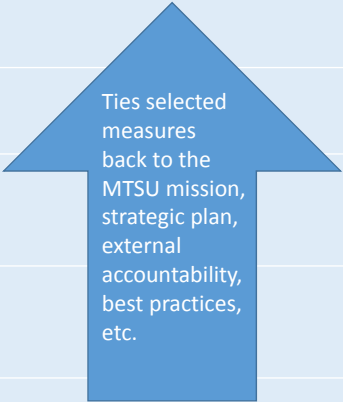

CR 8.1 Commonly Used Measures

1. Credential completion rates
2. Retention/persistence rate
3. Job placement/post-graduation employment/graduate school acceptance rates
4. Licensure/certification exam pass rates
5. Course completion pass/success rates

Middle Tennessee State University

Institutional Mission Profile

Middle Tennessee State University is a selective, comprehensive institution located in the geographic center of the State. The University embraces its role as the destination of choice for Tennessee undergraduates while its distinctive programs draw students from across the nation and around the world. Through innovative undergraduate and graduate programs, MTSU attracts a diverse, largely full-time student population with a broad range of academic preparedness. The University is committed to using advanced research-based practices to help students recognize their academic promise and achieve success: it ~~annually~~ confers ~~more than approximately~~ 5,000 degrees annually. Dedicated faculty prepare students for lifelong learning that adapts to and shapes a rapidly changing world through an understanding of culture and history, scholarship, and creative undertakings. MTSU's signature Honors College and experiential and integrative learning programs deliver a value-added undergraduate education rich in research, service learning, and civic engagement. Graduate offerings foster the pursuit of scholarly research, creative endeavors, and professional advancement through programs spanning the arts and humanities, education, business, STEM, the social, behavioral, and health sciences, and media and entertainment. MTSU houses centers of excellence in historic preservation and popular music and notable chairs of excellence. MTSU holds the Doctoral Moderate Research and Community Engagement Carnegie Classifications.
